There won't be another Presidential election until 1952. But next year's Congressional elections will hold far more importance than they usually do, as an indication of what is to come, and as a test of power between strongly divergent philosophies of government.

The main interest will center in Ohio, where Senator Taft will run again. This contest will have a truly national significance. For Taft has clearly proven himself to be the most ardent and effective opponent of Mr. Truman has.

As everyone knows, the Truman legislative program has fallen on evil days. He lost out completely on his request for repeal of the Taft-Hartley law. He will get only a small part of his all-inclusive social security program. The chance of the Columbia Valley Administration being approved by this Congress is so slim as to be almost non-existent. His ideas on tax increases have found deaf ears in Congress. His leaders have been out-maneuvered time and time again.

Senator Taft has not done all this alone by any means, but he has been the leading spirit. It is not remarkable that a large group of Washington correspondents, of all political views, recently voted overwhelmingly for Taft when they were asked to name the ablest Senator. He has few equals as a parliamentarian. Perhaps no one now in Washington has so wide a knowledge of the complex workings of the government. He is famous for tenacity, and he can be a very tough man when Republicans show signs of wavering on policy. He frankly wants to be President, and twice tried for the nomination.

Joseph Alsop writes, "Immense forces will be rallied for this Ohio struggle. It is not a mere contest over everything they have into the effort to defeat Taft. . . . Businessmen all over the country are already laying the cash on the line to aid the Taft campaign." It is expected that the Senator will actually start campaigning very soon before the year before the election. Ohio is as perfect a state as exists for a great test of this kind. It has a big population, a large electoral college vote, and it has always been a pivotal state. It has large labor, a strong agricultural and business groups as well. It is normally Republican, but not invariably so—last year it went for Truman, and elected a Democratic governor.

If Taft loses to an opponent running on the Truman platform, his wing of the Republican party, which is the only wing that has taken strong stands in the Administration, will receive a body-blow setback. If he wins, he will have the inside track for the 1952 GOP nomination, and those who hold similar beliefs will take new heart.

GLADES PRODUCE
 (Continued from Page 1)
 some of it already up several inches and doing well. The Duds will not plant any fall corn, but will give the spring crop an expanded whirl. How the fall crop will compare to last spring's crop is yet unknown, but quite favorable.

Assistant County Agent H. L. Speer, and his wife, are now taking their annual vacation, which will be spent in northern Florida and Georgia points. While away from home, he will take a business opportunity of visiting several experimental stations, inspections and conventions, winding up with the State Agent's schooling convention in Gainesville.

President McCabe, of the Glades branch of the Fruit and Vegetable Association, has been unable to find hotel accommodations for an opening ladies night party, so the October meeting, if one is called, will be of a regular nature, with a steak supper, notice of which will be sent members.

Storm repairs and installation of new equipment will all be completed at Glades packing houses in time for the shipping season. Some new men will be among the packing house organizations, and some new men will be in unfamiliar connections. The Okaloosa Sugar Company found that it had to have a new boiler for its power plant and same is now being installed. Cane cutting on its plantation, as well as that of the U. S. Sugar Corporation, will be in progress before the end of the present month. Much of the wind tossed cane blown down has recuperated so that harvest will not be as difficult as expected.

COLORED FOOTBALL
 (Continued from page 1)
 have gained manhood stature and power, so that they can hold a very formidable team, three of them if necessary.

The game this year will be against Carver High school of Miami, whose team has made quite a commendable record against opponents, and they will make Belle Glade a real come to win the contest.

The Vocational High school learned the steps taken, and

same were approved by the membership.

The Master announced at the next regular communication that the Fellowship group who attended camp at Leesburg this summer, would be exempted, with each officer, skipping up two stations.

The October session of the Master's and Warden's Association will meet in Belle Glade hall on October 16th, with sessions at 2 and 4 P. M. degree schooling later.

PRESBYTERIAN CIRCLES
 ONE AND TWO MEET TUES. Circle Number Two of the Presbyterian Church met at the home of Mrs. Chas. Critchfield at South Bay, October 4th, at 8:00 p. m.

The program on home missions was presided over by Mrs. Ernestine Dupree. Bible study on the Book of John was presented by Mrs. Hilton Earl, followed by a business meeting of the group with Mrs. Ralph Pipes presiding.

Visitors present were Mrs. G. H. Rains and Mrs. Louis Kirkman. Refreshments were served by the hostess.

Circle Number One met at the home of J. L. G. Gay at 8:00 p. m. Tuesday, Oct. 4th. Those present were Mrs. L. D. Bessent, Mrs. Malcolm Beddoe, Mrs. Carl Campbell, Mrs. W. F. Crider, Mrs. Bob Garrison, Mrs. Clara Gledhill, Mrs. Robert Lanier, Mrs. Cecil McClure, Mrs. D. W. Smith, Mrs. Spencer Whitlock, Mrs. Ed Thompson, Mrs. Jack Whitlock, Mrs. W. C. Coffman and Mrs. N. P. Willis.

A program was conducted by Mrs. Billy Crider, the topic being "My Community for Christ." Those taking part were Mrs. Jack Whitlock and Mrs. M. B. Bessent. Mrs. Spencer Whitlock presented the Bible Study on the Book of John.

A business meeting was conducted by Mrs. Robert Lanier, Circle chairman. Visitors present were Mrs. Ann Beardsley, Mrs. David Moates, Mrs. E. L. Williams and Mrs. M. L. Sloan. Refreshments were served by the hostess.

MEN'S BIBLE CLASS
ENTERTAIN BETHANY
 Monday night, the Men's Bible Class of the Community Methodist Church, entertained the women of the Bethany class at Paradise shelter house.

The men were amazed at the manner in which the women responded to the invitation to entertain their generous hostess, the women of the Bethany class, the night before last.

The "Kitchen Crew" was a composed of Dick LeVelle, Gene Royals, Milton Barry, Dr. Harris and "Clothing" Kemper, and they have put the delicious food in the way of barbecued ribs and other accessory viands! Almost impossible to have surpassed that "greasy finger in the mouth" meal. The napkin supply was the only article that proved short.

Mrs. Clara Gledhill, teacher of the Bethany class, in behalf of the local school, and with appreciation for the delightful evening.

The dinner dinner hour was spent with some of those good friends of the church, and sent playing shuffle-board and others in social converse.

SUNDAY SCHOOL CLASS
ENJOYS POT-LUCK SUPPER
 The T. F. Sunday School Class of the Community Methodist Church had a pot-luck supper Monday night at the church. Thirty people attended. Hostesses were Mrs. Douglas Matthews, Mrs. Ernest Van Landingham and Mrs. Ed Lively.

Following the supper, a business meeting was held, with the president, Dr. P. Mackey, presiding. The class voted to pay for material for eight choir robes and also voted to pay one-half of the expenses for the representative from their Youth Fellowship Group who attended camp at Leesburg this summer.

After the meeting groups were played, with Mrs. F. C. Schoenfeld in charge, followed by group singing.

Dr. and Mrs. W. F. Stoner, were guests of the teacher, Mrs. R. V. Allison.

Baptist To Have A Sunday Radio Hour
 Dr. R. G. Lee, of the Bellevue Baptist Church of Memphis, Tenn., starting last Sunday at 3:30 o'clock, will start a series of radio religious addresses from the Baptist Radio Bureau in this city. These addresses are prepared for the benefit of all people in the Southern Baptist jurisdiction, of which the Glades churches are affiliates. Dr. Lee is rated high in the ministry and is a brilliant and entertaining speaker.

Beet Hunt Dates Set For Dec. 10
 Reservations

Four three-day bear hunts will be staged in the Ocala and Apalachicola National Forests this year, Coleman Newman, State Game and Fish Water Fish Commission Director, announced this week.

Newman said the three-day hunt period has been set for Oct. 5-7 in the Ocala National Forest, and Oct. 12-14 in the Apalachicola National Forest. Shooting will be one half hour before sunrise to sunset.

Special bear hunting permits will be issued to parties of at least 10 hunters, the director said. The permits will be issued to parties of at least 10 hunters, the director said.

A business meeting was conducted by Mrs. Robert Lanier, Circle chairman. Visitors present were Mrs. Ann Beardsley, Mrs. David Moates, Mrs. E. L. Williams and Mrs. M. L. Sloan. Refreshments were served by the hostess.

in very fine stores. The quality of the crop was usually good and should result in shipment of the certified certified sacks. The certified acreage was 29,000 this year compared to 29,000 last year. The biggest reduction was in the Cobliger variety and there were definite increases in the certified Pontiac and Red Pontiacs. Many crops have already moved to Cuba and South Florida. Shipments will be made to this section early in October.

LIONS CLUB

Belle Glade

SOUTH BAY BEAN CITY LAKE HARBOR

Mrs. Maude Hartline of Delray is visiting her son, Postmaster Eric Hartline.

Mr. and Mrs. A. B. Haralson of Atlanta, Ga., more recently of Leesburg, are in the Glades while he is installing a boiler at the Okeelanta Co-Op Sugar Company. They have taken an apartment in Chosen.

Mrs. C. J. Bilbo and children have returned from Austell and Bremen, Ga., where they spent the summer.

Junior Walker, Jas. Layfield, Jerry Come and Jewell Bass have returned to Gainesville to resume their university work after a week and visit with their respective parents at South Bay, Lake Harbor and Belle Glade.

Rev. B. A. Oswald will conduct services at the Canal Point Baptist Church on Sunday, Rev. Thurmond, pastor of the Northside Baptist Church in Miami will supply his pulpit at South Bay.

Harold Sellers, Herman and Ernest Horton and Merrill McAllister have returned from a

few days visit with Mrs. Maude McKnight and other relatives and friends at Hartford, Ala.

Patsy Keene has returned to her home at Pahokee after a few days visit with her grandparents Mr. and Mrs. A. B. Barnes.

Mr. and Mrs. Andrew Nick have returned from a month vacation.

Mrs. Viola Dunnham, Mr. and Mrs. W. W. Bryans and children guests of Mr. and Mrs. R. Lovell and family.

Mrs. C. G. Payne who submitted to a major operation at Good Samaritan Hospital last Thursday is recovering nicely.

Mrs. J. W. Warren was ill at her home the first of the week.

Mrs. Laura Crow returned recently from a visit with Mr. and Mrs. R. E. Green at Clearwater and visited Mr. and Mrs. C. C. Hutson in West Palm Beach from Sunday to Wednesday.

Mr. and Mrs. P. D. Crichfield of Sebring, Mr. and Mrs. Paul

Crichfield of Avon Park were the Sunday guests of Mr. and Mrs. C. E. Crichfield.

Mrs. Mark Challancin and Mrs. Robert R. Roadman spent Tuesday in West Palm Beach.

Post Nuptial Shower Extended To A Recent South Bay Bride

Mrs. Hilton Mott, nee Dorothy Register, was honored at a post nuptial shower at the home of Mrs. Fred Cato Thursday evening. Mrs. A. B. Barnes, Mrs. Claudia Simmons, Mrs. Walter H. Thames, Jr., were co-hostesses with Mrs. Cato.

Guests were entertained at games following which the gifts were opened and displayed by the honoree. Gaily decorated cake and soft drinks were served.

Gifts were received from Mrs. B. A. Oswald, Miss Doris Martin, Mrs. A. B. Barnes, W. C. Allen, Mrs. L. L. Simmons, Mrs. Walter H. Thames, Jr., Mrs. Laura Willis, Mrs. Clarence Mott, Mrs. Olga Hardy, Mrs. Mary Louise Weathers, Mrs. William Jefferies, Mrs. G. J. Barstow, Mrs. Jack Waters, Mrs. Fred Cato, Mrs. Bettie Dean, Mrs. Jesse Barnes, Miss Verna and Mrs. Perry Register, Miss Inez Register.

Challancin and Crichfield New South Bay City Fathers

Mark Challancin and Charles E. Crichfield were elected members of the South Bay Town Council at a municipal election at the Town Hall on Tuesday, October 4. They were sworn in and took their seats on the council at the regular meeting on October 5.

The new councilmen took the places of Frank B. Willis, who has served the South Bay Town in this capacity since it was first organized in 1942, and Floyd Wilder who had served one term.

The official returns were Mark Challancin 111 votes, C. E. Crichfield 112, O. B. Cook, 10, W. W. Ferguson 30 and Floyd Wilder 11.

190 ballots were cast out of 222 registered electors.

The election board were Mrs. G. J. Barstow, clerk, Mrs. Alice Lamoureux, Mrs. Mutchler and Mrs. Nettie Barnes, Inspectors, J. W. Warren deputy.

South Bay Baptists Reorganize Bible School For The Year

The South Bay Baptist Church recently elected officers and teachers of the Sunday School and Training Union took charge Sunday of duties for the coming year.

Officers for the Sunday School are:

Mrs. H. C. Willis, General Secretary for the Sunday School; M. J. Hardy, District Teacher of Men's Bible Class; Mrs. Augusta Best, Teacher of Women's Bible Class; Mrs. Al-joe Lamoureux, Teacher of Young People's Class; Rev. B. A. Oswald, Teacher of the Young Married Couple's Class; Mrs. Josephine Ratley, Supt. of Intermediate Department; Cecil A. Armstrong, Teacher of Intermediate Boys; Mrs. F. W.

Mutchler, Teacher of Older Intermediate Girls; Mrs. Leland Hardy, Teacher of Younger Intermediate Girls; Mrs. A. J. Williams, Supt. of Junior; Mrs. W. W. Ferguson, Miss Martha Jean Ratley, Thomas Williams, Mrs. H. J. Harrelle, Teachers of Junior; Mrs. Wm. Jefferies, Primary Supt.; Mrs. R. L. Barrett, Mrs. Jay Smith, Mrs. Evelyn Leathlean, Teachers of Primary Department; Mrs. A. B. Barnes, Supt. Beginners Department.

Officers of Training Union: Mrs. Olga Hardy, Training Union Director; W. C. Allen, Associate Training Union Director; Mrs. B. A. Oswald, General Secretary; W. C. Allen, Pres. Adult Union; Edwin Best, Young People's Director; T. E. Weathers, Intermediate Leader; Mrs. Doyle Brannon, Junior Leader; Mrs. Roy Brown, Junior Counselor; Mrs. Elaine Williams, Story Hour Leader.

Extensions Being Made By South Bay Packers In Their Packing House

The South Bay Growers Packing Plant is enlarging the plant 30 feet on the east end and widening the building by 15 feet to the east. The bean belts and other equipment will then be re-installed to better advantage and efficiency.

Miss Imer Jean Browning has taken out a building permit to erect a Motel on Federal Highway 27 in front of her house which has been moved to the rear end of her lot. The side walls of the American Legion Hall are now going up. The floor was laid during the summer but work was interrupted by the hurricane. All the work is being done by the Legionaires under the supervision of a competent contractor.

South Bay Boy Made Far Away Okinawa

Okinawa, Japan Sept. 14, 1949

A Letter from Okinawa: I had seen a soldier coming toward my cottage from the pumping plant, but I did not bother to leave my work; they are always everywhere and I thought nothing of it.

I was surprised, therefore, when he said, "Hello" and then called me by name. Again I was surprised, when I recognized Ralph Goodbread from South Bay. My real surprise came when I saw he was wearing corporal's chevrons on his sleeve. Surprised being in order, he threw another one at me by saying, "I am leaving for home next Sunday."

Ralph has been in the Army about 18 months now and has been on Okinawa most of that time. He was only 17 years old when he entered the service and has developed into a fine man in both personality and character.

He came to see me when he first came to the island and I have seen him occasionally since the first time I saw him. A little later when I saw him he was a private first class. Now he is known as Corporal Goodbread. Very few men as young as he can make advancement as rapidly as he has.

Invariably when you see young men of Ralph's type so far from home it will take your mind back to his boyhood days and remind one of the splendid training he received from his parents, his Sunday School and Church and his scout troop. The right kind of training will reflect in the young man's life. Often the only reward received by his spiritual, literary and citizenship leaders is the knowledge that each of them had a little part in the molding of a fine character.

I was very glad that Ralph was going home, and especially flattered that he thought enough of me to get permission from his command to come and spend a farewell afternoon with me. I wish him a bon voyage and am sure his friends and relatives will be very happy to see him once more.

Sincerely, Lowery Hardy

Cinematic Chatter "My Dream Is Yours," a new technicolor musical, starring Doris Day, Jack Carson and Lee Bowman, is due to be filmed at the Hugo Theatre, Sunday-Monday.

The film tells the story of a radio talent huckster, named Carson, who introduces a sparklingly new song-bird, named Doris Day, on the airwaves. With this situation in this cast, which includes Adolphe Menjou, Eve Arden and S. K. "Cuddles" Sakaki, Hugo Theatre patrons are in for some real hilarious comedy, spiced with beautiful scenery, gorgeous gals and delightful song numbers.

Frankie Carl at the Piano, and Ada Leonard and an all-girl band, are but two of the added features woven into the picture. Another novelty in the

show introduces the famous cartoon character "Bugs Bunny" and his pal "Daffy Duck" in an elaborate song and dance number. "My Dream Is Yours," "Love Finds A You," "Someone Like You" and "Tie, Tie, Tie" are the four new numbers to be introduced in this musical. "My Dream Is Yours" is really a "big-time, spring-time, love-time" musical that will delight every patron of the theatre.

County Agents Will Attend Schooling At Gainesville

County Agent M. U. Mounts Assistant Agent H. L. Speer and Miss Sara Horton, Home Demonstration agent, will be in attendance at the State Agent's convention and school of instruction at Gainesville, during October 17-21.

HERE'S AN

Idea

WORTH TALKING OVER

... can farming be made more profitable?

We're not promising the moon, but we'd like to see if we can help you make more money, or save work. We do know that on a good many farms we've been able to make recommendations that worked out profitably.

At least, it's an idea worth talking over. We are making farm visits all the time and hope to reach you soon. However, we invite you not to wait but drop in anytime. You'll find that we are really interested in discussing your problems and helping all we can.

We do know that the future of the farmer depends greatly on the efficiency of all farm operations. We know something about this subject. That's why we think it will pay you, as well as us, to "get better acquainted."

We are headquarters for Ford Tractors, Deere Farm Equipment and genuine Ford Tractor and Deere Farm Equipment parts. Call on us any time for prompt, efficient tractor and implement service.

OBSERVATIONS
(Continued From Page 1)
they know the price which will be paid for the seed before it is even planted. Buyers set a minimum price, and if the market goes higher, then they secure an addition premium price.

Thought I would take in my first golf game, so went over to the West Palm Beach course to watch the Elks swing their sticks at the little white ball. I decided I would follow the crowd in the gallery, but when I had made about two miles of the six mile course, the aged legs said, "enough," so I practically crept back to the starting point, wiser and tired. If I had started in younger, I might have liked this fascinating pastime, but none of it now at my advanced age. I picked up a lot of the jargon that golfers use, know what a tee off is, what a hole or green is, but could not figure out the various clubs and the particular uses at stages in the game; nor the method of carrying through with the various strokes and stances to get desired shot results. Guess the real aim of the game is to get the ball over the distances in as few shots as possible. Sort of sympathetic with the caddies as they carried those million dollar collection of golf paraphernalia, or what the "buggies" over the grassy sward.

I could also reason out a cause why a bit of beverage and solid refreshment were required by the players when they finished their game, for a little of energy was used up in hitting and following that little old pill. Those Palm Beach Elks certainly lay out a fine program of entertainment and a most sumptuous buffet meal. The Elks assemblage was made up of a very congenial and happy people, out for a good time and hid it.

Considering weather conditions, that was some swell crowd that attended opening football at Memorial field, Friday night. They also saw a pretty good game between two new rival teams. Sort of strange how the personnel of teams can change in one short year. Last season, the team in the game one year, become the stars of the new season.

Its football season in the Glades, and if you go up to a bunch of men, you will many times find that clinics are being held on games played or to be played. Football takes precedent over vegetables at this time of the year.

PTA BOARD OF DIRECTORS MEET MONDAY AFTERNOON

The P.T.A. Board of Directors met Monday afternoon at the school, with Mrs. W. C. Bamford, president, in charge.

A report on the County meeting of the P.T.A. Study group that was held at West Palm Beach recently, was given by Mrs. Ralph Freeman, Mrs. Jas. Gay, health chairman, reported on the Pre-school roundup and stressed the importance of the parents getting pre-school checkup reports in the teachers as soon as possible. Mrs. Gay also reported on the Kiwanis Dental Clinic, held by Dr. J. P. O'Callaghan here last week, at which time he examined over 650 students' teeth. It was announced that Dr. O'Callaghan will be the guest speaker at the P.T.A. meeting next Monday night. Mrs. Pat Brent, publications chairman, said all chairmen are working toward getting the P.T.A. on the Blue Ribbon list. Member chairman, Mrs. Otis Hayes, announced she will start a campaign next week to have a 100 percent membership for the Association.

It was announced that the P.T.A. purchased a copy of "Let's We Forget," a book on the history of the first twenty-five years of P.T.A. in Florida.

All the chairmen were requested to get their committees completed to present at the next regular meeting. The Library Chairmen, Mrs. G. R. Townsend and Mrs. Anna Keene, are working to get a list of the books and magazines required for an accredited school to be purchased later. Mrs. Douglas Matthews, safety patrol chairman, announced that bells and badges have been purchased for the Safety Patrol boys and plans have been made to order other needed equipment later.

It was also announced that a State P.T.A. Convention will be held at Orlando November 8th through the 10th. Plans for the annual Halloween Carnival to be held October 31st were announced by chairman Mrs. A. E. Kirchman. Mrs. Anna Keene was appointed Study Group chairman for the year. Mrs. R. V. Allison, program chairman, reported the Year books will be ready for distribution Monday night.

Some very interesting programs arranged for the year, include a lecture on birds, made by a member of the Audubon Society, Mrs. E. D. Humphrey, music chairman, reported the

need of 23 robes by the High school glee club.

Announcement was made the Finance committee will meet Thursday night at 8:00 p.m. to set up a budget for the year. E. M. Lively, chairman, asks all standing committee chairmen, also Mr. Howard Payne, Miss Alma Murphy and Mr. Frank Hobson, to be present.

Board Establishes New Helpful School At Canal Point

There are some children in homes that do not fit into the public schools, due to one or more handicaps, but who should be receiving some schooling along special directed lines. The County Board of Public Instruction has for several years operated such a school in West Palm Beach with considerable success, and of great benefit to the pupils.

The Board has established such a new school at Canal Point, to cover the Everglades section which opened for instruction on Monday morning. The Board is to provide instruction and transportation for children from the west county line to Port Mayaca sector. A survey has shown that there will be from a dozen to a score of children who will be placed in this particular school.

Churches of Christ, Scientist and Bible Society, AND DEATH HEALING is the subject of the Lesson Sermon which will be read in Churches of Christ, Scientist and Bible Society on Sunday, October 9.

The Golden Text is: "God be merciful unto us, and bless us; and cause his face to shine upon us; this way may be known upon earth, the saving health among all nations." (Ps. 67:1, 2).

Among the scriptures which comprise the Lesson Sermon is the following: "And there was in their synagogue a man, with an unclean spirit. . . . And Jesus rebuked him, saying: Hold thy peace, and come out of him. And when the unclean spirit had torn him, and cried with a loud voice, it came out of him." (Mark 1:23, 26).

The Lesson Sermon also includes the following passage from the Christian Science textbook, Science and Health with Key to the Scriptures, by Mary Baker Eddy: "Jesus came to destroy sin, sickness, and death; yet the Scriptures are not here to destroy sin, but to fulfill it. It is possible, then, to believe that the evil which Jesus lived to destroy are not the offerings of the divine Spirit." (Science and Health, p. 100).

Moose Not To Buy The Gala Club For Its Future Home

The Belle Glade Lodge of Moose, which has been holding its meeting at the Gala Club near South Bay since its institution, and negotiating for its possible purchase, has decided that the deal was too heavy a financial burden to assume.

Officials are looking for a location in Belle Glade, and negotiations are in progress for the leasing of the Johnson block on South Main Street.

As stated above, this typical section gives the worst station. As shown here, the "bite" extends about 36' horizontally, and there's 34' left horizontally—the 15' crown and the 19' from the crown's edge to the break. So, there was approximately the same protection remaining as was eroded. Too, the 2.3' in elevation remaining from high point of the Lake elevation to the crown elevation—difference between 32.6 and 24.3'. Theoretically, an 8 foot higher Lake or many hours more of sustained pounding would have breached the dike at this point.

Provisions have been made against a recurrence of these damage along this 4,000'. As shown in the lower diagram, draglines cleaned out the damaged area and dug a trench into the dike from the bottom of the washed-out area. This material was used to make a dike on the lower side. This trench and dike formed a receiver for the material dug by suction dredge and pumped into it. This material is a high grade of shell and marl. After this material had been shaped to conform to the original levee slope cement was added and placed several inches deep so that the levee along this area has a cement

hard surface several inches deep to resist the possible wave action.

With these drawings and the explanations, it seems that the engineers are justified in their opinions that "The Dike Proved Itself."

National Guard Drive For Recruiting New Members Announced

In an effort to bring all existing National Guard units up to near-authorized strength, Florida is joining with other states in a major recruiting campaign which is scheduled to start this week.

Although Florida currently boasts its largest National Guard in history, an effort will be made to recruit at least 700 additional members during the two-month drive which ends November 19.

The present strength of the Florida military is 5,295 officers and men, of which 4,929 are in ground troops and 365 are airmen. Prior to World War II the National Guard had 3,941 in the state.

Florida ranks 17th in comparison of authorized strength with the other 47 states, District of Columbia and the territories. It was one of the first to have a fully organized regiment.

A special effort will be made during the campaign to enlist students in the upper grades of high school and in junior colleges. In this state, 17-year-olds may join the Guardsmen with their parent's consent.

Canal Point School Patrons Ask That Transfers Be Made

Patrons of the Canal Point elementary school have made application to the Board of Public Instruction, to have the seventh and eighth grade children, now being hauled to the Palmetto School, be transferred back to the home school. The Board has as yet taken no official application on the appeal.

The U. S. Sugar Company had made application that the ten acre site owned by the Board for a new school building at South Bay, be leased to it for farming purposes, till such time as called for the improvement. The Board declined to enter into such an agreement.

Consumers' Problems

By Mrs. Ora D. Lee
Mrs. Lee has done special research on this problem at Tuskegee Institute, Alabama, Hampton Institute, Virginia, and Miami University, Oxford, Ohio.

(Continued from last week)

History of Consumer Movement

The consumer movement began with the writing of a book entitled, "Your Money's Worth" by Chase and Schlink. This book came into the homes of the consumers in 1927, however, in 1908, the Pure Food and Drug Act was initiated to protect consumers and promote fair competition. Thus, the two movements are associated with the beginning of the movement, which is today climbing the stairs to the sky in every state. Today the consumer reads, has clubs and organizations advocating the cause and legislation and congressmen fighting to pull the shackles of ignorance from his feet that he may tread the fairways intelligently.

The consumer movement has grown in size and strength. The Wheeler-Lea Act of 1938 was the beginning of many books, reports, and periodicals in behalf of the consumer. Organizations as General Federation of Women's Clubs, the National League of Women Voters, the American Association of University Women, the American Association of Parents and Teachers, the National Foundation have served as real champions to fight for and spread consumer education throughout the entire United States. The progress of the movement can be evaluated in terms of attitudes, motives, and general outlook. A transition has taken place. Antagonism against unfair practices has arisen.

Marketing and Marketing

The consumer, in order to be an intelligent consumer must know more about the market. I shall attempt here to inform them about market and marketing trends.

First, we will consider what constitutes a good market.

Since consumers want certain goods and services, we consider their quality and cost in time and energy as well as in dollars and cents.

A good market provides (1) commodities which the consumers want and are ready to pay for.

(2) It provides a wide variety from which to choose, (3) there is no pressure (4) prices are fair, (5) trained personnel, (6) no waste or inefficiency, (7) large demands, (8) ample supply, (9) free entry. How well does the market measure up to these standards? Is a question to be answered.

In a competitive system with the consumer free to choose, the market, in a large measure, is forced to respond to the consumer's demand; but the system in this respect is far from perfect. "The Separation Of

The Producer and the Consumer

has its own problems. In many ways the producer seeks to control demand rather than follow it. Only when actual purchasing takes place can sellers be absolutely sure of the existence of demand. This occurs only after goods are brought in the market. This is why many producers cling to the old line instead of adding new items.

The market has been criticized for handling or providing unnecessary variety. Hundreds of brands of a single product are available in the stores of large cities when the qualities of these products, which are important to consumers, could only be met by a half dozen.

The market also has some products that are harmful to consumers.

The Federal Food, Drug, and Cosmetic Act of 1938 was a big step toward a market with less harmful products. Competition between the monopolies and the small insurance that prices are fair, but it has never been perfect. Ignorance has always been a factor in many of the practices have occurred. However, the consumer should be able to make intelligent choices that decreases efficiency and prevents, in any way, the full utilization of productive resources raises prices and lowers the quality of goods for consumers as a whole.

Since the family is the consuming unit it is well here to rate in 1940, 34.4 percent of the people lived in cities of 50,000 or more. In 1930, 20.6 percent lived in towns and villages of 2,500, and 20 percent lived on farms. This latter group has increased to 33 percent including foreign imported laborers, thus the consumer problem in rural areas increases.

Distance and type of stores to which the consumer has access largely determine buying practices. The other factors are occupation, a n environment which largely influences the type and amount of buying to take care of the family needs.

The Consumer—A Good Judge of Food

In your everyday diet you need a certain number of calories, supplied by protein, carbohydrates and fats. If you do not know the foods containing these daily requirements and how much each member of your family needs of these requirements, then you are a poor judge of what and how much to buy. You also need minerals, vitamins, and plenty of water. The amount of food is determined by age, occupation, present status of health, and weight of each person.

The protective diet, including the seven basic foods, is

the chart that should be in the minds of every housewife and consumer.

1. Learn the values of the vitamins by alphabets.
2. Learn the sources of each vitamin and purchase foods containing them.
3. Learn uses and where each of the following are found:

- A. Calcium
- B. Phosphorus
- C. Iron
- D. Secure food charts including meats, vegetables, grain, and fruit. Study food values and food proportions. The following points should be remembered when purchasing vegetables and fruits:

- A. Food value
- B. How to select
- C. Quantity to buy
- D. Best season to buy

The following foods have a grade and values aside from their names and prices. Take milk for example: It has grades A, B, C. These grades are determined on the basis of tests of cattle, dairies, bacteria count, and percentage of butter fat. Butter is also graded. Grade AA eggs are the highest quality and are not commonly purchased. Grade A eggs are just average, smooth shelled, and Grade B are economical for cooking and baking. To know if eggs are fresh, note the firm yolks and whites are difficult to break. Old eggs break easily and are soupy when broken.

E. Rugs

In buying rugs, look for cleanliness of weave. Bend back pile side to examine length and compactness of pile. Place a rug cushion under the rug or rug pad.

Buy rugs that are long enough and large enough. Allow from a foot to 16 inches between the rug and wall on all sides.

F. Studio couch

A studio couch is a serviceable piece of furniture. It will make an extra bed.

G. Good card tables

Good card tables serve many purposes.

H. Sheets

Good sheets look for torn label—a guarantee that the hem will wash and iron easily.

I. A finished length of 99 inches

is necessary for tucking in and binding over a blanket.

J. Hemmed length of 99 inches

SCHOOL NEWS OF EVERGLADES VOCATIONAL HIGH

By Coala Miller

The Junior Red Cross had its first meeting of the school year Friday, September 30, 1949.

Two representatives were sent from each class. The following officers were elected:

President, Jamesena Poole; Vice-President, George Murphy; Secretary, Christine White; Assistant Secretary, Annie Pearl Smith; Treasurer, Daisy Bell Williams.

The New Homemakers of America had its district meeting Saturday, October 1, 1949 in West Palm Beach, Florida at Industrial High School.

Seventeen girls representing Everglades Vocational High School were present.

The curriculum of the physical education department includes calisthenics and marching, which are to develop on muscle tone and neuro-muscular coordinations. These activities are said to be the A. B. C's of physical education. Other activities are social, folk dancing, and team games.

Full enjoyment is realized as well as to develop healthy bodies. Under the physical education program six girls are being trained for drum, majorette, and cheerleader.

These girls are Hazel Poole, Florence Holton, Agnes Johnson, Edna Washington, Bernice Williams, and Catherine Davis. For some form of entertainment during the half of home games, we are hoping to have a drill corps which is expected to include approximately thirty-six girls. The pep squad is to be organized to furnish cheering for our athletic teams. By spring we are hoping to have a creative dance group for the girls.

The annual meeting will be held in Tallahassee, Florida.

Yearly, Everglades Vocational High School has made a step forward rising to be one of the greatest and best high schools in Palm Beach County.

The leadership of its most capable principal, Mr. B. G. Gayles. This year along with the band a

teacher has been hired for Physical Education for girls.

As a rule healthy minds are housed in healthy bodies. With this as an objective, the Everglades Vocational High School has added more emphasis to Physical Education. Each student is taking a minimum of four periods of activity per week, inclusive of one period for health.

Each girl is to have a physical education uniform by November 1. These uniforms are being purchased. The use of these uniforms will add greater freedom of movement.

The curriculum of the physical education department includes calisthenics and marching, which are to develop on muscle tone and neuro-muscular coordinations. These activities are said to be the A. B. C's of physical education. Other activities are social, folk dancing, and team games.

The annual meeting will be held in Tallahassee, Florida.

Yearly, Everglades Vocational High School has made a step forward rising to be one of the greatest and best high schools in Palm Beach County.

The leadership of its most capable principal, Mr. B. G. Gayles. This year along with the band a

Members of the New Bethel Baptist Church "quartet" D. C. Harvard and Robert Frowning leaders, Joe Ranson, John Young and Ari Watson.

This quartet lends its talents to worthy causes among organizations in the Glades, aside from regular performances at the Church.

Elementary School held its first meeting of the 1949-50 term with a fine attendance of parents and teachers. The election of officers was held and they are as follows: Mr. E. Taylor, President; Mrs. D. M. Murriel, Vice President; Mrs. Willie Mae White, Secretary; Mrs. Marie Adderson, Asst. Secretary; Mrs. James Oliver, Treasurer; Mrs. Charles McCurdy, Parliamentarian; Rev. E. Coffie, Chaplain; and Mrs. Oliver, Reporter.

The group discussed various items of importance. Each person present seemed to have enjoyed the meeting.

A very tasty report was served by Mrs. Murriel, Mrs. Morgans, and Mrs. Thompson.

After the business was concluded, all engaged in the weekly Art Project, that is done at each meeting.

Dainty refreshments were served by the hostesses.

The meeting adjourned, next meeting to be held at the home of Mrs. Alexander.

LAKE SHORE ELEMENTARY SCHOOL NEWS

By Prof. Charles M. McCurdy

Faculty Sponsors Program For First Baptist Church

On last Tuesday evening the members of the faculty of Lake Shore Elementary School sponsored a musical program at First Baptist Church for the purpose of raising funds for the church's building program. The program was as follows:

Selection—"Bekiel Saw De Wheel"—Teachers' Group

Readings—"It Couldn't Be Done" and "This Is Our Creed"—Miss Myrtis Edgcombe

Trumpet Solo—"Oh Promise Me"—Miss Kathryn Palms

Vocal Solo—"It's My Desire"—Miss Kathryn Palms

Selection—"There Is A Friend"—Leola Miller, and members and friends engaged in a social get-acquainted hour.

The meeting was well attended and five new members enrolled.

Plans were made to carry out the program of the State Federation of Colored Women's Clubs, that has been organized by the State President, Mrs. F. M. Walker.

After the business was transacted, all engaged in the weekly Art Project, that is done at each meeting.

Dainty refreshments were served by the hostesses.
